PSG COLLEGE OF TECHNOLOGY COIMBATORE
DEPARTMENT OF COMPUTER APPLICATIONS

23MX18 Web Application Development

NAME : SANJIVKUMAR A **ROLL NO : D26MX214**

21.08.2026 Worksheet 1 : (To be written in the observation NoteBook)

1.1 Write proper HTML only code to create a web page to display the information about the inventor of HTML,HTTP etc., Use different divisions in your page to display photo , life information, education, inventions etc., Apply all the text formatting elements and style attributes to the div element properly to make your web page aesthetic.
Use summary tag to make the contents wrapped and gets expanded on demand by the user.
Refer: https://en.wikipedia.org/wiki/Tim_Berners-Lee for information.
Apply Box-Model concept , proper colouring and styling.

1.2 Write a proper HTML only code to create a web page that shows your long term goal and short term goal as unordered list. . Inside each of these display an ordered list of tasks to be done to achieve the mentioned goal.

Note: After completing all the exercises, write your work in the observation notebook.

Mention the date as 21.08.2026 and exercise number as 1.

Tabulate all the HTML elements you have used & properties with their purpose.

Do not write the entire code.

My Long Term Goals

Cyber Security Analyst

Build a career as a Cyber Security Analyst.

Cyber Forensics

Gain more knowledge and experience in cyber forensics.

Travel The World

Explore at least two countries every year.

Healthy Life

Maintain a healthy and balanced lifestyle.

My Travel Dream

My Dream Car

Mercedes-Benz

One of my biggest dreams is to own a **Black Mercedes-Benz**. It represents my success and hard work.
